

## Greetings!

On behalf of our founder Hill Harper, and the Manifest Your Destiny Foundation (MYD), thank you for your interest in participating as a mentor for our 2016 Summer Empowerment Academy (SEA). This year is quite special because we will serve 100 young men of color between Washington, DC and Baltimore, Maryland. SEA will take place on **August 1-5**.

This one-week camp is for rising 9<sup>th</sup> graders and focuses on Academic Strategies, Business & Entrepreneurship, Leadership Development and Critical Thinking. During this time, participants develop skills that will assist them with having a successful transition from middle school to high school. Additionally, they will have the opportunity to interact with mentors and facilitators that support their learning goals.

Unfortunately, men of color continue to be pushed out and locked out of opportunities for academic achievement. This year's SEA is dedicated to young males who are in need of additional resources to be successful. As a mentor, you will serve as a model of what it means to create a blueprint for success. By bringing your academic, professional, and personal skills the chosen participants will leave with a tangible example of success.

In order to be considered for an opportunity as a mentor, please review the roles & responsibility form, fill out the application below and e-mail it to [info@mydf.org](mailto:info@mydf.org). Applications are due no later than **June 30, 2016**. Thank you for your commitment to young people!
